## Two Paths to Guaranteed Retirement Income

### Fixed Indexed Annuity with Guaranteed Lifetime Withdrawal Benefit Rider (GLWB)

Retirement Income Guaranteed for Life, Even After Account Balance Reaches \$0.\*

#### ► Option 1: Interest Roll-Up Rider

The **Interest Roll-Up Rider**, available for an additional charge, is designed for individuals who value stability and predictability in their retirement income. With income base growth through simple interest accumulation of **12%** and strong payout factors, this rider helps ensure a steady path toward guaranteed lifetime income.

##### Upfront Bonus

Receive an income base boost of **10%** at contract issue.

##### Rider Cost

The Interest Roll-Up Rider fee is **1.20%** of the income base each anniversary. The fee percentage is locked at issue and will not increase during the life of the contract. After income has been activated, the fee becomes locked.

##### Automatic Ratchet

If your account value outpaces the roll-up, your income base adjusts upward.

##### ADL Multiplier

If you become unable to perform at least two of six Activities of Daily Living after contract issue, the annual income payment will be multiplied by **200%** (150% for joint payouts) for a five-year period\*\*.
